

Prescription and Non-Prescription Medication Administration

9502.0435 subp. 16 F (1) The provider shall obtain written permission from the child's parent prior to administering prescription and non-prescription medicines, diapering products, sunscreen lotions, and insect repellents. Nonprescription medicines, diapering products, sunscreen lotions, and insect repellents must be administered according to the manufacturer's instructions unless there are written instructions for their use provided by a licensed physician or dentist.

The provider shall obtain and follow written instructions from a licensed physician or dentist prior to administering each prescription medicine. Medicine with the child's name and current prescription information on the label constitutes instructions.

Child's Name: _____

On the table below, please check Yes or No. Please use the comments or specifications space to indicate if you only approve certain brands or ingredients.

As the child's parent/guardian, I authorize the administration of the following medications:
